The 2019 OCEACT Conference Was a Success!

Thank you to everyone who joined us for the 2019 OCEACT Conference! This year's conference was a huge success, featuring the talent and wisdom of keynote speakers Pascale Jean-Noel, Lidia Yuknavitch, and Pat Corrigan. OCEACT would also like to thank everyone who volunteered their time and expertise to lead this year's breakout sessions. We couldn't have done it without you!

We look forward to seeing you all at next year's conference!

If you would like to access any of the materials or Power Point presentations from the 2019 OCEACT Conference, you can find them on our [website](#).

Changes to OCEACT's Monthly TA Calls

Monthly Technical Assistance (TA) calls are one of the ways that OCEACT provides ongoing training and support to ACT teams across Oregon. In addition, OCEACT also holds a monthly Peer call with topics targeted towards Peer Support Specialists. All TA calls are open for any ACT staff member to attend.

Beginning in July, Ben Yoder will take an active role in the monthly TA calls. Christina Lindsey will take over for Ben in the hosting of the monthly Peer call.

OCEACT Statewide Trainer Position

OCEACT currently has openings for two Statewide Trainers. If you are interested in this position, please apply at the link below.

Statewide Trainer

ACT in Action - The ACT in Action training is a one day training offered by OCEACT where your team will learn the basics of ACT. We will cover everything from the history of ACT, the make up of an ACT team, and the steps of implementing ACT. The training covers all the key components of the ACT model, including: the team approach; community based services, 24/7 crisis coverage; integrated dual disorder treatment; and integrated care.

Enhanced Illness Management and Recovery (EIMR) -

The EIMR training is a one and a half day training that focuses on the EIMR material and how to implement it in one-on-one sessions and in groups.

Cognitive Behavioral Social Skills Training (CBSST) -

The CBSST training is a half day training that focuses on the tools needed to implement CBSST and how it fits in with other modalities that your team is currently using.

If there is a training you would like to receive, or if there is a training that is not listed above that you would like to learn more about, please contact a member of the OCEACT team.
