Quarter 4 | 2019

2019 Fidelity Scores

In 2019, 31 ACT teams had fidelity reviews. To see a complete list of these teams and their scores, please click here.

26 ACT teams have met fidelity requirements by achieving scores of 114 or higher. Four ACT teams are still currently working on action plans with OCEACT to meet fidelity. One ACT team has recently been reviewed, but does not yet have a final score.

Congratulations to all the community mental health agencies who have made the effort to implement high fidelity ACT programs statewide. Oregon now has the capacity to serve approximately 1400 people in ACT services with the goal to increase that capacity to 2000 people.

OCEACT Statewide Trainings

One of the main services that OCEACT can provide to ACT teams is providing training in evidence based practices. Below you will find a list of training's and a brief description of the training.

If there is a training you would like to receive, or if there is a training that is not listed below that you would like to learn more about, please contact a member of the OCEACT team.

**ACT in Action**
The ACT in Action training is a one day training offered by OCEACT where your team will learn the basics of ACT. We will cover everything from the history of ACT, the make up of an ACT team, and the steps of implementing ACT. The training covers all the key components of the ACT model, including: the team approach; community based services; 24/7 crisis coverage; integrated dual disorder treatment; and integrated care.

**Enhanced Illness Management and Recovery (EIMR)**
The EIMR training is a one and a half day training that focuses on the EIMR material and how to implement it in one-on-one sessions and in groups.

**Cognitive Behavioral Social Skills Training (CBSST)**
The CBSST training is a half day training that focuses on the tools needed to implement CBSST and how it fits in with other modalities that your team is currently using.

**Motivational Interviewing (MI)**
The MI training is a one day training that focuses on a collaborative, goal-oriented style of communication with particular attention to the language of change. This training will review the basic framework of MI along with the development of micro-skills like open ended questioning, affirmations, reflective listening, and summarizing statements. Role playing is included for skill acquisition.

*If there is a training you would like to receive, or if there is a training that is not listed above that you would like to learn more about, please contact a member of the OCEACT team.*
